ADMISSIONS

ADMISSION REQUIREMENTS - SECONDARY EDUCATION AND EQUIVALENTS

To qualify for admission to Paul Mitchell The School Denver, a prospective student must demonstrate that they are academically prepared to be successful. A prospective student must be able to provide documentation of one of the following during the admission process:

- i. Have a high school diploma (this can be from a foreign school if it is equivalent to a U.S. high school diploma); or
- ii. Have a recognized equivalent of a high school diploma, such as a general educational development (GED) certificate or other state sanctioned test or diploma-equivalency certificate like HiSet; or
- iii. Have completed homeschooling at the secondary level as defined by state law; or
- iv. Have completed secondary school education in a homeschool setting which qualifies for an exemption from compulsory attendance requirements under state law, if state law does not require a homeschooled student to receive a credential for their education; or
- v. Have successfully completed at least a two-year college-level program that is acceptable for credit towards a bachelor's degree or completion of an associate degree.

The school does not accept ability to benefit (ATB) students.

VERIFICATION AND VALIDATION PROCEDURES

If the school or the Department of Education has any reason to believe that the diploma is not valid or was not obtained from an entity that provides secondary school education, the school will proceed with the two-step validity process. The validity process requires:

- i. The school would check with the high school to confirm the validity of the student's diploma by collecting documentation from the high school that confirms the validity of the high school diploma, including transcripts or other written descriptions of course requirements, or written and signed statements by principals or executive officers at the high school attesting to the rigor and quality of the coursework at the high school;
- ii. If the high school is regulated or overseen by a state agency, Tribal agency, or Bureau of Indian Education, confirm with the relevant department or agency in the state in which the secondary school is located or obtain documentation from that agency that the secondary school is recognized or meets requirements established by that agency;
- iii. If the Secretary has published a list of high schools that issued invalid high school diplomas, the school will confirm that the high school does not appear on that list.

A high school diploma is not valid if it:

- i. Does not meet the applicable requirements established by the appropriate state agency, Tribal Agency, or Bureau of Indian Education in the state where the high school is located;
- ii. Has been determined to be invalid by the Department of Education, the appropriate state agency in the state where the high school was located, or through a court proceeding; or
- iii. Was obtained from an entity that requires little or no secondary instruction or coursework to obtain a high school diploma, including through a test that does not meet the requirements for a recognized equivalent of a high school diploma.

If the School is unable to determine validity of the high school diploma, the prospective student will not be accepted to the school.

ADMISSION PROCEDURES

The following admissions procedures apply to all new and transfer students. Transfer students are required to complete additional requirements if they would like their prior academic coursework to be considered for the awarding of transfer credits (please see the Transfer Students section of the catalog).

1. **Complete an Application for Admission:** Complete and submit the application for admission. The application for admission may be obtained from an admissions advisor.
2. **Pay the Registration Fee:** The registration fee of \$100.00 can be paid in the form of cash, credit card or personal check payable to Paul Mitchell The School Denver. The school may opt to waive the registration fee for students who transfer from a school that has closed without notice.
3. **Interview:** All applicants must complete an interview with an admission's advisor.
4. **Provide Proof of Identity:** Applicants are required to provide proof of identification as part of the application of admission process. The school will maintain a copy of the identification presented as part of the student's admission file.

Photo IDs must contain:

 - Government-issued non-driver ID card

5. **High School or Equivalent Verification Documents:** Applicants must demonstrate that they meet the High School requirements. The school considers a high school diploma, high school transcripts, GED certificate, GED transcript or high school equivalency certificate valid if granted by a high school or agency/program accredited or recognized by a state department of education (e.g. The State of Colorado Department of Education).

A student's self-certification is not sufficient to validate a high school diploma or high school equivalency certificate or that they have completed secondary school through homeschooling as defined by state law.

If we determine that your diploma or high school equivalency diploma is not valid you will be denied admission to the school.

Students who are homeschooled must be able to demonstrate and document that they meet their state's high school graduation requirements. Secondary school education at a homeschool is valid if their secondary school education was in a homeschool that state law treats as a home or private school (see <https://hslida.org/legal> for requirements for each state). Applicants who completed homeschooling must submit their high school transcripts for review and evaluation.

Applicants who received their high school diploma in another country are required to submit their high school transcripts to a foreign credentialing evaluation service.

Please note the document must be translated into English by a certified translator and accompanied by an evaluation of a credentialed evaluation service certifying it is equivalent to a U.S. high school diploma. We can accept credentials translated and evaluated by any agency under NACES. A list of approved agencies is located at NACES (National Association of Credential Evaluation Services) under: <https://www.naces.org/members>. We must receive a credential report directly from the evaluation services. Copies will not be accepted. Applicants are responsible for paying the costs of the translation and evaluation.

Applicants who have successfully completed at least a two-year college-level program that did not result in the awarding of an associate degree must submit college transcripts demonstrating successful completion of at least 60 semester or trimester credits hours or 72 quarter credit hours that is acceptable for full credit towards a bachelor's degree at an institution.

Applicants who have successfully completed an associate degree or bachelor's degree may show completion of the degree by providing the degree or transcripts.

Note that merely possessing a certificate of attendance and/or high school completion is not sufficient for a student to be Title IV aid eligible.

Only licensed professionals may enroll in the Classic Lash Fundamental, Lash and Brow Lift, and Volume Advanced Lash Extension course. Applicants are required to provide a current cosmetology and/or esthetics license to enroll.

Paul Mitchell The School Denver does not recruit students who are already enrolled in a similar program at another institution.

Admitted students who would like to request a reasonable accommodation under the Americans with Disabilities Act should contact the ADA Compliance Coordinator.

Paul Mitchell The School Denver accepts re-entry students if they qualify. Please review the re-entry policy for specific requirements.

Once an applicant has completed the process to apply to the school, the admissions team and director reviews each applicant and their required application materials to determine if the applicant will be admitted.

The applicant will be notified of the decision in writing.

If the applicant is admitted, they will be notified of the next steps to enroll in their academic program.

If an applicant is not admitted and wishes to appeal the decision, they must write a letter/email to the School Director. Once the Director has evaluated the reasons for denial, the Director may either redo the personal interview for a second opinion or provide a response to the student. Appeals will not be considered if an applicant is not admitted because they do not meet the minimum education requirements to be admitted or if they have provided false information during the admission process.

APPLICANTS WITH NON-IMMIGRANT VISAS AND INTERNATIONAL STUDENTS

Applicants with non-immigrant visas should be aware of the following:

- Federal financial aid is not available to an applicant with a non-immigrant visa.
- An individual must be authorized to work in the United States to take the state licensure exam.

If an applicant needs assistance in understanding how their visa status impacts their ability to receive federal financial aid or take the state licensure exam after completing their program, they should contact an admissions advisor.

The student will be assessed a \$100 drop fee and a \$100 re-entry fee, unless a re-enrollment agreement was signed at the time of withdrawal. Both fees must be paid prior to re-entry and cannot be paid with federal financial aid.

Students who are approved to re-enter the program within 180 days of their last date of attendance must comply with the following requirements:

5. Pay the \$100.00 re-entry fee and submit a new application for admission.
6. Students who re-enter after 180 days must write a re-entry essay that demonstrates their commitment to completing the program.

The decision to allow a student to re-enter a program is at the sole discretion of Paul Mitchell The School Denver. Students will be notified in writing of the outcome of their request to re-enter the program.

Students who re-enter the program are placed in the same Satisfactory Academic Progress standing as when they left the school.

Members of the U.S. Armed Forces, including the reserve components of the National Guard, will be readmitted to their former program if they notify the admission team that the reason for their withdrawal is their service in the Armed Forces. Paul Mitchell The School Denver will make every reasonable attempt to accommodate service members who request an absence due to their service. Members of the U.S. Armed Forces will not be assessed the \$100.00 re-entry fee.

TRANSFERABILITY OF CREDIT - CREDIT EARNED AT THE SCHOOL

The transferability of hours you earn at Paul Mitchell The School Denver is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma you earn in Cosmetology and Esthetics is also at the complete discretion of the institution to which you may seek to transfer.

If the hours or diploma that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending the school to determine if your hours or diploma will transfer. Paul Mitchell The School Denver does not guarantee the transferability of its credits to any other institution unless there is a written agreement with another institution.

The school will provide an Official Transcript and School Catalog to any student requesting to transfer credit to another school. The up-to-date catalog is also available online for public access. The school catalog contains course descriptions for each program at our school.

STATE LICENSING DISCLAIMER

The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that, if committed by a licentiate of the business or profession in question, would be grounds for the Colorado State Board of Cosmetology to deny licensure. The Colorado State Board of Cosmetology denies licensure on the grounds that the applicant knowingly made a false statement of fact required to be revealed in the application for such license. Students who are not U.S. citizens or who do not have documented authority to work in the United States will not be eligible to apply to take the state licensure examination. Paul Mitchell The School Denver is not responsible for students denied licensure.

DISCLOSURE FOR PROGRAMS LEADING TO LICENSURE

The following programs offered at Paul Mitchell The School Denver lead to licensure in the state of Colorado: Cosmetology and Esthetics. We have compiled a list of all states that require licensure for the program you are interested in enrolling. We have identified whether the institution's program curriculum meets, does not meet, or a determination has not been made yet, for other state's individual state educational requirements for professional licensure. This information can be located on the school's paulmitchell.edu website, as well as you will receive a copy in the school's admissions packet, prior to touring the school.

Please note that the school you are planning on attending has only had their curriculum evaluated by the state that you are attending school in, which meets the state's requirements for licensure and practice. In determining whether

your program of study is acceptable in another state, each state board reviews the number of clock hours you attended in your home state, the subject areas and practical experiences you completed, as a part of the process of determining what, if any, additional requirements you may have to meet in order to be licensed in their state. We encourage all graduates who are considering becoming licensed in another state to first take the licensure exam in their home state, which will make it easier to transfer into another state. If you are not licensed by your home state, the state you are considering getting licensed in may require you to take additional training to meet their state minimum hour requirements and/or take their state licensure exam. State boards do not evaluate the curriculum of schools located in other states, but do, in most cases, recognize training from other states in order to transfer their license. If, at any time, the program you are enrolled in, ceases to meet the educational requirements for licensure in the state where the student is located, the school will provide written notice directly to the student in writing within 14 calendar days of making that determination.

FUTURE PROFESSIONAL INFORMATION

CONSTITUTION DAY

Constitution Day was established by Congress in an effort to increase knowledge about the United States Constitution. The amendment, proposed by Senator Robert C. Byrd, was passed in December 2004, and requires all educational institutions to commemorate Constitution Day by offering education and programs each year on September 17 (or in the preceding or following week if the date falls on a Saturday, Sunday, or holiday).

Constitution Day commemorates September 17, 1787, the signing of the United States Constitution. The Constitution established America's national government and fundamental laws and guaranteed certain basic rights for its citizens.

Constitution Day also serves as a reminder to participate in the political process by exercising our right to vote.

The school celebrates Constitution Day with an event and promotes awareness of the U.S. Constitution and voter registration information to all present.

This year's Constitution Day will be celebrated September 17, 2024.

To view an interactive version of the U.S. Constitution, go to the National Constitution Center at <https://constitutioncenter.org/>.

3. To promote the continuing educational growth of our faculty and students, using current teaching methods and techniques.
4. To teach courtesy and professionalism as the foundation for a successful career in their chosen field of study.
5. To prepare students to successfully pass the state licensing exam for entry-level employment.
6. To train and graduate students while empowering them to become confident and excited to enter a successful career within the salon and beauty industry.

COACHING AND CORRECTIVE ACTION

Part of the Future Professionals learning experience includes fine-tuning and mastering the skills and behaviors of a salon professional. The school team will coach all Future Professionals to correct noncompliant or inappropriate behavior.

The following actions may be inspected for noncompliance:

1. **Attendance and Documentation of Time Guidelines:** Attendance, promptness, and documentation of work are cornerstones of successful work practices. Future Professionals may be clocked out, released for the day, or suspended when they do not comply with guidelines.

2. **Professional Image Standards:** Professional image standards were created to provide guidance and direction to Future Professionals as they develop their professional image and persona. Future Professionals may be coached and receive an advisory when they do not meet professional image standards.
3. **Sanitation and Personal Service Procedures:** Sanitation and personal service procedures have been established to comply with state laws and to provide a safe and clean service environment. Future Professionals may be coached and receive an advisory when they do not follow sanitation and personal service procedures.
4. **Communication Guidelines and Professional Conduct:** It is the school's responsibility to provide a learning environment that is professional, positive, and conducive to learning. Staff and all contribute to a mutually respectful learning environment that fosters effective communication and professional conduct. Future Professionals who fail to follow communication guidelines and who do not conduct themselves in a respectful and professional manner may experience suspension or termination.
5. **Learning Participation Guidelines:** The learning participation guidelines have been established to provide a creative, fun, interactive, and collaborative learning environment that empowers students to act as future salon professionals and committed learners. Positive behavior is required to create a mutually beneficial learning environment for all Future Professionals. Future Professionals who fail to meet the guidelines and create challenges for other Future Professionals or staff may be released from school, suspended, or terminated.

Corrective Action Steps

Once a Future Professionals has received five (5) coaching sessions, the Future Professionals may be suspended from school for five (5) days. Suspended Future Professionals may only be re-admitted to school upon paying the administrative re-entry fee. If a student receives two (2) more coaching sessions after re-admission from a five (5) day suspension, the Future Professionals's attendance may be permanently terminated. A Future Professional may be terminated without prior coaching sessions for improper and/or immoral conduct. Refer to the school Future Professional Advisory Form.

When monitoring Future Professionals for unofficial withdrawals, the school is required to count any days that a Future Professional was out of school on suspension as a part of the 14 consecutive days of non-attendance used to determine whether the Future Professional will be returning to school.

We believe in providing a quality environment with an exceptional educational program. This framework gives everyone the opportunity to enjoy the experience! The entire staff appreciates the Future Professionals' respect of these guidelines.

ATTENDANCE AND DOCUMENTATION OF TIME

1. The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized timeclock. This device may consist of an app that can be used on your phone, a biometric scanner in the school, or similar device. To ensure proper clock hours are credited, full-time students are required to clock in/out when they arrive at school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. Part-time students are required to clock in/out when they arrive at school and when they leave at the end of the day.

Students who are late for theory, a specialty class, or a guest artist class may attend the class, but must be accompanied into the classroom by a learning leader. Students are never excused from mandatory theory class to work in the clinic classroom.
6. During the enrollment contract period, the student is allowed to miss 150 hours (cosmetology) and 60 hours (esthetics) before having to pay extra instructional charges. If the student's training goes beyond the contracted ending date for course completion, the student will be charged an additional \$11.23 (cosmetology) and \$12.50 (esthetics) for each hour completed after the contract ending date. The student may use the 150 (cosmetology) and 60 (esthetics) allowed absent hours for vacation, appointments, illness, etc.
****Refer to the school enrollment contract for the Enrollment Contract Period definition. Please note that if a student misses more than 14 consecutive calendar days, the student may be terminated from the program.**

FINANCIAL INFORMATION

FINANCIAL AID

The school encourages all students to apply for financial aid. A Financial Aid Guide is also available to all prospective students to assist with understanding the eligibility criteria and application process to receive federal and institutional financial aid.

Financial aid refers to a variety of financial aid sources available to help you pay for college or career school. It is money in the form of grants, scholarships, work-study, loans, or a benefit from completing community service or military service to help students pay for education after high school. Aid comes from various sources, with most of the aid coming from the U.S. Department of Education.

A FAFSA or Federal Application for Federal Student Aid must be completed at www.studentaid.gov to apply for all federal aid. Students will need to re-apply for Aid every academic year and meet all required eligibility criteria.

ADDITIONAL INFORMATION AND DETAILS MAY BE FOUND IN THE FINANCIAL AID GUIDE PUBLISHED BY THE SCHOOL.

The school participates in the following Federal Aid Programs:

GRANTS

Federal Pell Grant This federal grant program provides need-based grants to eligible low-income students. Eligibility for a Federal Pell Grant is determined by your Expected Family Contribution from the FAFSA. You can receive the Federal Pell Grant for no more than the equivalent of 12 semesters, which includes your receipt of Federal Pell Grant from any college you have attended. Additional general information regarding the Federal Pell Grant is available at www.studentaid.gov.

Federal Supplemental Educational Opportunity Grants (SEOG) This federal grant is awarded to students who demonstrate exceptional financial need. Funding is limited for this program, and priority is given to students who qualify for a Federal Pell Grant. A FSEOG Grant does not need to be repaid.

Federal Iraq and Afghanistan Service Grant (IASG): This federal grant is awarded to students whose parents or guardian was a member of the U.S. armed forces and died as a result of performing military service in Iraq or Afghanistan after the events of 9/11. To qualify, you must be ineligible for a Pell Grant due to not demonstrating adequate financial need, and you must have been younger than 24 years old at the time of your parent's or guardian's death.

FEDERAL DIRECT LOANS

Federal Direct Subsidized Loans are loans available to eligible undergraduate students who demonstrate financial need to help cover the costs of higher education at a college or career school.

- i. Interest does not accrue on the Subsidized loan while you are enrolled at least half-time.
- ii. Repayment on the loan begins 6 months after you graduate or withdraw from the school.

Federal Direct Unsubsidized Loans are available to eligible students regardless of financial need. The school determines the amount you can borrow based on your cost of attendance and other financial aid you receive.

- i. Interest begins to accrue on the Unsubsidized loan from the date of the first disbursement.
- ii. You are responsible for paying the interest on a Direct Unsubsidized Loan during all periods.
- iii. If you choose not to pay the interest while you are in school and during grace periods and deferment or forbearance periods, your interest will accrue (accumulate) and be capitalized (that is, your interest will be added to the principal amount of your loan).

Federal Direct PLUS Loans are loans, a parent of a dependent undergraduate student can borrow for up to the amount of the student's cost of attendance for their educational program less any other financial aid the student is receiving. Financial need is not required for this program. The parent (not the student) is the borrower of a Parent PLUS Loan and therefore the parent is responsible for repaying the loan. In addition to the student completing the FAFSA and meeting the basic eligibility requirements for federal student aid, an additional application is required for a parent to borrow a Parent PLUS Loan. Repayment is required immediately following the last disbursement of a loan.

- i. Eligibility is not based on financial need and can be applied to cover the entire cost of attendance.
- ii. A credit check is required. Borrowers who have an adverse credit history must meet additional requirements to qualify.
- iii. If you are a dependent student and your parent is denied the PLUS loan because of an adverse credit history, the student may apply for an additional Direct Unsubsidized Loan.

INTEREST RATES

The interest rates are published each year and vary depending on the loan type and are set by the first disbursement date of the loan.

DIRECT LOANS TERMS AND CONDITIONS

- i. A student must be enrolled at least half-time to receive a federal student loan disbursement.

ESTIMATED FINANCIAL AID

The following tools and resources can be used to get an estimate of your EFC, Cost of Attendance, and Estimated Financial Aid:

- i. Net Price Calculator Tool available at <https://www.paulmitchell.edu/denver>, this tool allows prospective students to enter information about themselves to find out what students like them paid to attend the institution in the previous year, after taking grants and scholarship aid into account.
- ii. College Financing Plan is a resource tool to help you better understand your educational costs and the financial aid that is available to meet those costs. This form was created by the Department of Education (ED) and is available to help prospective students compare the cost of attendance (COA) and aid offers from multiple institutions in order to make an informed decision about where to attend school. Please contact the Financial Aid office for your personalized College Financing Plan.
- iii. College Affordability & Transparency Center provides the Department of Education tools for comparing college costs, please visit: <https://collegecost.ed.gov>.

STEPS TO APPLY

- A. Sign up for an FSA ID at www.studentaid.gov/fsa-id/create-account/launch. The FSA ID serves as your digital signature for the Free Application for Federal Student Aid (FAFSA) and login information for Federal Student Aid websites.
- B. Complete the Free Application for Federal Student Aid (FAFSA).
- C. Submit all Required Documents to the Financial Services Office.
- D. If you decide to apply for Federal Student Loans:
 1. Log on to www.studentaid.gov
 2. Complete your Direct Loan Entrance Counseling: the Federal Government requires you to complete entrance counseling to ensure that you understand the responsibilities and obligations you are assuming.

The goal of entrance counseling is to help you understand what it means to take out a federal student loan. During entrance counseling, you will learn about the following:

- i. What a Direct Loan is and how the loan process works.
- ii. Managing your education expenses.
- iii. Other financial resources to consider helping pay for your education.
- iv. Your rights and responsibilities as a borrower.
 - Complete an Annual Loan Acknowledgment: If this is your first time accepting a federal student loan, you are acknowledging that you understand your responsibility to repay your loan.
 - i. If you have existing federal student loans, you are acknowledging that you understand how much you owe and how much more you can borrow.

- Complete Master Promissory Notes (MPN):
The MPN is a legally binding agreement between you and us and contains the terms and conditions of your loans.

- E. Review your Financial Aid Notification: The notification will provide a snapshot of what financial aid you are eligible to receive for the current academic year.
- F. Accept your Estimated Financial Aid Offer.

VERIFICATION

The U.S. Department of Education may select your FAFSA for a process called verification. If your FAFSA is selected for verification, The School will need to collect additional documentation from you to verify some of the information you provided on your FAFSA. For example, The School may ask for additional information about your income, the number of people in your household, the number of people attending college in your household, and identification documents, or other information. You may be required to complete verification worksheets and submit tax documents for yourself and your parent(s) or spouse. The School will use the information you provide through the verification process to make any necessary corrections to the information you reported on the FAFSA.

Verification Deadline and Failure to Submit: The Financial Aid Office will not award or disburse federal financial aid until the verification process is complete. Failure to complete the verification process by the deadline may result in a student not being eligible for federal financial aid, in which case the student will need to make other arrangements to pay their educational costs.

FINANCIAL AID DISBURSEMENTS

The federal financial aid for which a student qualifies is applied to your student account. This process is referred to as financial aid disbursement. Expected disbursement schedule can be found in individual Financial Aid offer letters.

Financial Aid disbursements are evaluated and paid at the end of every payment period, based on the student's satisfactory academic progress.

- i. The first payment period is the period in which the student successfully completes half the clock hours AND half the weeks of instructional time in the academic year.
- ii. The second payment period is the period in which the student completes the academic year and weeks of instructional time in the academic year

For any remaining portion of the program that is more than the academic year, but less than a full academic year:

- i. The first payment period is the period in which the student successfully completes half of the clock hours AND half of the weeks of instructional time in the remaining portion of the program; and
- ii. The second payment period is the period of time in which the student successfully completes the remainder of the program.

CREDIT BALANCE

If your financial aid award exceeds your direct costs at the school (tuition, etc.), you will receive a Credit Balance refund.

- i. Refunds begin to be issued within 14 days after the disbursement date.
- ii. All funds issued to you by Paul Mitchell The School Denver through a federal financial aid refund must be used toward educational expenses only. Using these funds in any other manner is in violation of and punishable by federal law.

RETURN TO TITLE IV

The school is required by Federal statute to recalculate Federal financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a payment period or term. The Federal Title IV financial aid programs must be recalculated in these situations:

- A. If a student leaves the institution prior to completing 60% of a payment period or term, the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula:

Percentage of payment period or term completed = the number of days completed up to the withdrawal date divided by the total days in the payment period or term (Any break of five days or more is not counted as part of the days in the term.) This percentage is also the percentage of earned aid.

- B. Funds are returned to the appropriate federal program based on the percentage of unearned aid using the following formula:

Aid to be returned = (100% of the aid that could be disbursed minus the percentage of earned aid) multiplied by the total amount of aid that could have been disbursed during the payment period or term.

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Keep in mind that when Title IV funds are returned, the student borrower may owe a debit balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement which must be paid within 120 days of the student's withdrawal.

The institution will return the amount of Title IV funds for which it is responsible no later than 30 days after the date of the determination of the date of the student's withdrawal.

Refunds are returned in the following order:

- Federal Unsubsidized Direct Stafford Loans
- Federal Subsidized Direct Stafford Loans
- Federal Direct Parent PLUS Loans
- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grants

For any loan funds that you must return, you (or your parent for a Direct PLUS Loan) will repay the loan funds in accordance with the terms and conditions of the Master Promissory Note (MPN). That is, you will not be required to repay any loan funds immediately, but instead, you will make scheduled payments to the holder of the loan over a period of time.

IMPACT OF WITHDRAWAL OR LEAVE OF ABSENCE

Students taking a leave of absence or withdrawing from classes who are recipients of Federal Financial Aid should contact the Financial Aid office to determine the implications of that leave/withdrawal for their financial aid program. Once you withdraw, drop below half-time enrollment, or leave school, your federal student loan goes into repayment. In most cases, however, you have a six-month grace period before you are required to start making regular payments.

EXIT COUNSELING

Students who graduate, withdraw or drop below half-time enrollment must complete exit counseling. The purpose of exit counseling is to ensure that students understand their loan obligations and are prepared for repayment.

OVERPAYMENT

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is any grant overpayment in excess of half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with the school or the Department of Education to return the unearned grant funds. The requirements for Title IV program funds when you withdraw are separate from the school's refund policy. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school will also charge you for any Title IV program funds that the school was required to return. The school's tuition refund policy is available in the college catalog. If you have questions regarding the Return of Title IV calculation or the school's refund policy, the Financial Services Office can assist.

ADDITIONAL INFORMATION AND DETAILS MAY BE FOUND IN THE FINANCIAL AID GUIDE PUBLISHED BY THE SCHOOL.

WITHDRAWING FROM SCHOOL

Official Withdrawal Process: If a Student wishes to withdraw from school the Student must notify the school either in writing or verbally. A written notification can be delivered by regular mail sent directly to the school or via e mail sent to the Financial Services Leader at the School at the following e mail address chandra@pmtssanantonio.com. The date that the school is notified is the date of determination of the withdrawal and is based on the postmark date on the mailed notification, the date of the email notification or the date the Student calls or notifies the school in person. A Student on an approved leave of absence must notify the school as soon as possible if they will not be returning from the leave of absence. If the Student fails to return or contact the School Financial Services Leader on the documented return date, then the Student will be withdrawn from school with the date of determination being the documented return date.

If the Student fails to return from a leave of Absence (LOA) on the documented return date, the Student will be terminated from school as of the date the Student began the LOA. If the Student fails to contact the School in regards to not returning from a LOA or extending the LOA, the Student will be terminated from school as of the date the Student began the LOA. A Student may not take an unapproved LOA.

Official cancellation occurs when a Student is not accepted by the School, or when a Student or legal guardian cancels the Enrollment Agreement. The School also may initiate an official withdrawal for reasons which include but are not limited to the expulsion of the Student or the termination of the Student for failure to meet the applicable requirements of the School's satisfactory academic progress policy or the failure to pay tuition and other charges by the applicable deadlines.

Unofficial Withdrawal Process: An unofficial withdrawal may occur for a variety of reasons including but not limited to expulsion, failure to meet Program attendance requirements, failure to attend class in the Student's Program at the School for 14 consecutive calendar days, failure to meet applicable requirements in the school's satisfactory academic progress policies, or failure to pay tuition and other charges by the applicable deadlines.

Withdrawal Date: In both cases the Withdrawal Date (which is sometimes referred to as the last day of attendance) will be used in the Institutional Refund calculation and, if applicable, in the Federal Return of Title IV calculation.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The School participates in the Title IV federal financial aid Programs (Title IV). The Return of Title IV (R2T4) policy and formula are used by the School to determine the amount of Title IV funds that must be returned if the Student

withdraws from the School. The R2T4 formula is applicable when the Student withdraws at any point during a payment period. Because the school is required to take attendance, the student's withdrawal date is their last date of attendance at an academically related activity as determined from the schools attendance records for both official and unofficial withdrawals.

The requirements for returning Title IV funds under the R2T4 formula is different from a School's institutional refund policy. The R2T4 formula determines the amount of unearned Title IV funds that must be returned when a Student withdraws. In contrast, the institutional refund policy determines how much tuition a Student owes after a Student withdraws.

So, it is possible that the R2T4 policy might result in a return of Title IV funds that previously paid for tuition and other charges at the School. In turn, the institutional refund policy might result in a Student owing funds to the School to cover unpaid institutional charges even though the Student withdrew from the School without completing the Program. The R2T4 policy is discussed below. The institutional refund policy is discussed in the previous section of the Enrollment Agreement.

R2T4 Calculation: The R2T4 formula applies if the Student received or could have received federal Title IV financial assistance during the payment period in which the Student withdrew based on applicable eligibility criteria (e.g., Pell Grants, FSEOG, Direct Subsidized Loans, Direct Unsubsidized Loans, or Direct PLUS Loans).

The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the Student's withdrawal date. For clock-hour Programs, a Student earns the percentage of scheduled clock hours up to the date of withdrawal divided by the number of scheduled clock hours in the payment period.

For example, if a Student completes 30% of the scheduled clock hours, the Student will earn 30% of the assistance the Student originally received or was eligible to receive. Once the Student completes over 60% of the scheduled clock hours in the payment period of enrollment, a Student has earned 100% of the FSA funds the Student received and was scheduled to receive during the period.

The amount to be returned as unearned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a Student does not start or begin attendance at the School or start or begin attendance in a payment period at the School, the R2T4 formula does not apply but the School must return any Title IV funds disbursed on the Student's account ledger for the applicable payment period.

Title IV Funds Returned by the School: If a Student receives (or the School or parent receive on the Student's behalf) excess Title IV funds that must be returned, the School must return all or a portion of the excess funds equal to the lesser of:

1. The institutional charges multiplied by the unearned percentage of the Student's Title IV funds: or
2. The entire amount of excess Title IV funds.

The School must return its share in the following order:

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Federal SEOG

Returns must be made no later than 45 days after the date of determination of the Student's withdrawal.

Title IV Funds Returned by the Student: If the School is not required to return all of the excess Title IV funds, the Student may be required to return the remaining amount. This is determined by subtracting the amount returned by the School from the total amount of unearned Title IV funds to be returned.

For any Direct loan funds, a Student must return, the Student (or the parent in the case of PLUS Loans) will repay the Direct Loan funds in accordance with the terms and conditions of the Master Promissory Note (MPN). That is, a Student will not be required to repay any Direct Loan funds immediately, but instead, the Student will make scheduled payments to the Department of Education over a period of time.

Any amount of unearned Pell Grant funds that a Student must return is called an overpayment. The maximum amount of Pell Grant overpayment that a Student must repay is any amount of the overpayment that is greater than one-half of the Pell Grant funds the Student received or was scheduled to receive. A Student does not have to repay a Pell Grant overpayment if the original amount of the overpayment is \$50 or less. The Student must make arrangements with the School or the Department of Education to return the unearned Pell Grant funds or lose eligibility for the Title IV funds.

Within 30 days of the date of the School's determination that the Student withdrew, the School will send a notice to the Student advising the Student that they owe a Title IV overpayment as a result of the Student's withdrawal. If the Student is not able to pay the overpayment within 45 days of the date of the notice, the Student may enter into a repayment arrangement with the Department of Education. If the Student does not pay the overpayment or make a repayment arrangement, the Student will be ineligible for any further Title IV funds.

Credit Balances: If a credit balance still exists on the Student's account after the Return of Title IV calculation is completed, the credit balance will be used to pay any grant overpayment that exists based on the current withdrawal or any remaining institutional charges. Any remaining credit balance will be paid to the Student within 14 days from the date that the Return of Title IV calculation was performed.

Post Withdrawal Disbursements: If a Student did not receive all of the Title IV funds earned, a Student may be due a post-withdrawal disbursement. If the post withdrawal disbursement includes grants, the school must disburse the grant funds as soon as possible but no later than 45 days after the date of the school's determination that the student withdrew (no confirmation from the student is required). If the post withdrawal disbursement includes Direct Loan funds, the School must offer the loan funds to the student or parent (in the case of PLUS Loans) within 30 days of the date the school determined the student withdrew, allowing the student or parent at least 14 days to respond and accept or decline the funds. The school must obtain the Student's or parent's (in the case of PLUS Loans) permission before it can disburse the Direct Loan funds. A Student or parent may choose to decline some or all of the Direct Loan funds, so the Student or parent do not incur additional debt.

The School may automatically use all or a portion of a post-withdrawal disbursement of grant funds for institutional charges. The School needs to obtain permission from the Student to apply Title IV funds for other educationally related expenses. Post-withdrawal disbursements will be made from Pell Grant funds first if the Student is eligible. If there are current educational costs still due the School at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be created to the Student's account. Any remaining Pell funds will be released to the Student without the Student having to take any action.

SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period if:

1. Ten days before the beginning of the payment period, the school could have disbursed FSA funds to the student; and
2. Disbursement of those funds would have created an FSA credit balance.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student's cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES

Our school does not have a list of preferred lenders and we do not offer private education loans.

ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION

A student no longer faces penalties or suspension of Title IV aid due to a drug conviction that occurred while the student was enrolled and receiving Title IV aid; and while information of such conviction must still be provided, the loss of federal student aid for drug convictions no longer applies.

MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS

Majors, degrees, second degrees, or summer terms does not apply to Paul Mitchell The School Denver.

STUDENT FINANCIAL AID RELEASE

The undersigned agrees that Paul Mitchell The School Denver does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent's credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent's credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

POLICY FOR VERIFICATION OF TITLE IV FUNDING

The school has policies and procedures that it follows for verification of Title IV funding. Verification is a requirement by the U.S. Department of Education. Students are randomly selected to provide additional information. The school

provides students with a verification form so they can collect the necessary information. The school gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. The corporate office sends to the school a change in EFC form for students to sign if their EFC changes. FAME handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

SATISFACTORY ACADEMIC PROGRESS POLICY

SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy applies to all students regardless of whether or not they are eligible and/or apply for Title IV funding programs. Every student enrolled in a program approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress Policy is provided to all students prior to enrollment. The policy is consistently applied to all students, regardless if they are part time, full time or the program enrolled in. SAP evaluations are maintained in the student file. The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for Title IV, non-Title IV, and other federal funding students.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

1. A minimum cumulative Theory grade level of 70% or higher.
2. A minimum cumulative academic level of 70% or higher on practical worksheet completion.*
3. To determine whether a student meets the academic requirements for satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 70% or higher.
4. A minimum cumulative attendance of 80% of their scheduled hours.**

** To meet the state practical requirements for graduation, students must eventually complete practical worksheets, every 200 hours at 100%. See LEARNING PARTICIPATION GUIDELINES.*

*** To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 70% and/or who has not successfully completed at least a cumulative rate of attendance of 80% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in status of probation.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the scheduled hours.

Course	Length	Maximum Time Frame
Cosmetology – Full Time (4-day)	50 Weeks	60 Weeks
Cosmetology – Part Time	68 Weeks	85 Weeks
Esthetics – Part Time (5-day)	27 Weeks	33 Weeks
Esthetics – Full Time (4-day)	21 Weeks	26 Weeks

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs and will be terminated from the program. Students who exceed the maximum time frame may be permitted to re-enroll, and be charged tuition fees accordingly, on a cash-pay basis. Whether a student pays out of pocket or receives Title IV Financial aid,

all hours attempted and completed are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student's disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

IN-COMPLETES, WITHDRAWAL, OR REPETITIONS

If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, the student must take a leave of absence or withdraw and reenroll when ready to return. If a student needs more than 14 consecutive calendar days of time off due to pregnancy/new mother, and/or military duty then the student should take a leave of absence. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

IN-COMPLETES, REPETITIONS, AND NON-CREDIT

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. Leaves of Absence will be granted in the case of pregnancy, new mothers, medical problems, or in case of emergency. A leave of absence will be permitted with a letter from the student's doctor, which causes attendance to be impossible or impractical. If a student is called into active duty for the military, the school will grant a leave of absence. Students will be granted a Leave of Absence for the death of an immediate family member. Immediate family is limited to the spouse, parents, stepparents, foster parents, father-in-law, mother-in-law, children, stepchildren, foster children, sons-in-law, daughters-in-law, grandparents, grandchildren, brothers, sisters, brothers-in-law, sisters-in-law, aunts, uncles, nieces, and/or nephews. These are the only times leaves of absence are granted.

A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

In order to be placed on Leave of Absence, the student must:

1. Complete and sign the school's Leave of Absence Request Form in advance, unless unforeseen circumstances prevent the student from doing so.
2. State the reason for the Leave of Absence (LOA) request.
3. Be approved by the Financial Aid Office and Future Professional Advisor.
4. Leaves must be a minimum of 14 days and must not exceed a total of 180 calendar days in a 12-month period.

A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

Students may not arbitrarily decide to "take" a leave of absence.

There will be no additional charges for a LOA. If the student fails to return, takes an unapproved LOA, or fails to contact the School Financial Aid Leader on the documented return date, the student will be considered to have withdrawn from school as of the date the student began the LOA. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

For federal aid recipients, the student's payment period is suspended during the LOA and no federal financial aid will be disbursed to the student while on a Leave of Absence. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been

completed. If the student is a Title IV loan recipient, the student will be informed of the effects that the student's failure to return from a leave may have on the student's loan repayment terms, including the expiration of the student's grace period. A contract addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of days.

In special circumstances, the school may grant a leave of absence to a student in the case of an emergency, such as a car accident or other medical issue that would prevent the student from requesting the leave of absence prior to the incident occurring. In these cases, the school will collect the request from the student at a later date. The beginning date of the leave of absence will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation.

In order to grant a Leave of Absence, there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at that time.

Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties to reflect the new contract end date.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

The Following programs receive Satisfactory Progress Evaluations in both attendance and academics:

Cosmetology - 1500 Clock Hours

Esthetics - 600 Clock Hours

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when students reach:

Program Name	1st SAP Evaluation	2nd SAP Evaluation	3rd SAP Evaluation
Cosmetology (22 hour schedule)	450 actual hours and 21 weeks	900 actual hours and 41 weeks	1200 actual hours and 55 weeks
Cosmetology (30 hour schedule)	450 actual hours and 15 weeks	900 actual hours and 30 weeks	1200 actual hours and 40 weeks
Esthetics (28.5 hour schedule)	300 actual hours and 11 weeks	N/A	N/A
Esthetics (22.5 hour schedule)	300 actual hours and 13 weeks	N/A	N/A

The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are completed within 7 school business days of the student reaching the evaluation points.

At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course, which indicates that, given the same attendance rate, the student will graduate within the maximum of 125% time frame allowed.

The following grading system is used to evaluate a student's academic ability:

1. Examinations are given in all subjects.
2. If a student receives an UnSatisfactory Academic Progress Evaluation, the Future Professional Advisor will meet in person with the student, the evaluation will be reviewed and signed by the student acknowledging their unsatisfactory status. The evaluation is maintained in the student's financial file. The Satisfactory Academic Progress Evaluation will reflect if the student's evaluation will impact the student's eligibility for Financial Aid. The student may request to review their Satisfactory Academic Progress Evaluation from the Financial Services Leader or Future Professional Advisor.

The following grading scale is used for theory progress:

A = 90 – 100% B = 80 – 89% C = 70 – 79% Failing = Below 70%

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade, which means all elements of the practical grading criteria

were met. No signature indicates a failing score, which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor.

****The school uses a 900-hour academic year / 26 academic weeks for Title IV purposes.***

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on scheduled contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

WARNING

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and will be considered to be making satisfactory academic progress during the warning period until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If a student does not meet the minimum requirements after a financial aid warning period, they are placed on financial aid suspension and not eligible for Title IV Aid, if the student appeals and then it is approved, the student is then placed on financial aid probation, if applicable.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV or other federal funding for those who qualify, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

PROBATION

Students who fail to meet the minimum requirements for satisfactory academic progress in attendance and academic progress after the Financial Aid Warning period, the student will be placed on probation. If the student appeals the decision, prior to being placed on probation and prevails upon appeal, the student will be considered to be making satisfactory academic progress during the probationary period.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation.

If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

APPEAL PROCEDURE

A student may appeal the Financial Aid ineligible decision if the student has a reason for not making satisfactory progress and if the student can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has ten (10) school days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's financial aid office on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

EXCUSED ABSENCE

Absences will be excused if the student provides a doctor's note for bonafide illness or injury.

STUDENT CONSUMER INFORMATION

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request.

GENERAL RELEASE OF INFORMATION

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent must:

1. State the purpose of the disclosure,
2. Specify the records that may be disclosed,
3. Identify the party or class of parties to whom the disclosure may be made, and
4. Be signed and dated.

FERPA DISCLOSURES TO PARENTS

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student, without needing the student's consent.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

RELEASE OF INFORMATION TO REGULATORY AGENCIES

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Paul Mitchell The School Denver provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

DISCLOSURES IN RESPONSE TO SUBPOENAS OR COURT ORDERS

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

DISCLOSURES FOR OTHER REASONS

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

DIRECTORY INFORMATION

Paul Mitchell The School Denver does not publish "directory information" on any student.

RECORD MAINTENANCE

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of six (6) years for withdrawal students; transcripts of graduates are kept indefinitely.

AMENDMENT TO STUDENT RECORDS

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202.

VETERAN OR ELIGIBLE PERSON

The school maintains a written record of the previous education and training of the veteran or eligible person and clearly indicates that appropriate credit has been given for previous education and training, with the training period shortened proportionately, and the veteran or eligible person and the Department of Veterans Affairs so notified.

PERFORMANCE STATISTICS

Paul Mitchell The School Denver is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. Each agency requires schools to provide important information regarding outcome rates in the areas of completion, placement, and licensure; however, each agency requires that we provide outcome rates differently. NACCAS requires schools to list the outcome rates for the main campus and all additional campuses as a whole. In this case, there are no additional campuses. NACCAS requires schools to list the outcome rates also by program. If you have any questions regarding our outcome rates, please see our Admissions Team for assistance.

SCHOOL STANDARDS & POLICIES

POLICY AND PROCEDURES FOR FUTURE PROFESSIONALS WITH DISABILITIES

1. POLICY STATEMENT

Paul Mitchell The School Denver (“The School”) is committed to complying with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act – Federal laws that prohibit discrimination on the basis of disability. The School does not discriminate against future professionals with disabilities in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a future professional’s participation in a program of The School. This policy applies to all future professionals and applicants for admission to The School. The School will provide reasonable accommodations to future professionals with disabilities.

2. DEFINITIONS

Accommodation means a modification or adjustment to the education environment that will enable a qualified applicant or future professional with a disability to participate in The School’s education program. Accommodation also includes adjustments to assure that a future professional with a disability has rights and privileges in education equal to those of future professionals without disabilities.

ADA/504 Compliance Coordinator means the official of The School responsible for determining and coordinating reasonable accommodation, modification, and/or auxiliary aids and services for prospective, admitted, or enrolled future professionals.

Auxiliary Aids and Services means accommodations that enable effective communication in the educational setting. Auxiliary aids and services may include interpreters, notetakers, ergonomic aids, or enlarged text and real-time closed captioning.

Future Professional means any individual who has accepted an offer of admission, or who is registered or enrolled in coursework, and who maintains an ongoing educational relationship with The School.

Individual with a Disability means a person with a physical or mental impairment that substantially limits a major life activity; has a record of such impairment; or is regarded as having such an impairment. The determination of whether a future professional has a physical or mental impairment that substantially limits a major life activity will be made on a case-by-case basis.

Qualified Future Professional with a Disability means a future professional with a disability who meets the academic and technical standards required for admission and participation in educational program(s) and activities and who has been approved by The School for reasonable accommodations.

3. PROCEDURES AND RESPONSIBILITIES

The School will provide reasonable academic adjustments, auxiliary aids and services, and accommodations to applicants for admission and qualified future professionals with disabilities to ensure applicants and future professionals are not denied the benefits of, or excluded from participation in, The School’s educational program. The School will make necessary modifications to academic requirements to ensure that academic requirements do not discriminate against qualified future professionals with disabilities. The School will also ensure that future professionals with disabilities have physical access to The School and use of service animals.

The School employee responsible for implementing these procedures is:

Lindsay Gobeli
ADA/504 Compliance Coordinator

405 South Teller Street, Lakewood, CO 80226
(303) 233-1733
lindsay@pmtsdenver.com

When a future professional informs a staff member that the future professional has a disability, or needs accommodations or assistance due to a disability, the staff member will refer the future professional to The School's ADA/504 Compliance Coordinator.

Learning Leaders should not honor requests for accommodations that have not been approved by the ADA/504 Compliance Coordinator ("the Coordinator").

FUTURE PROFESSIONAL ELIGIBILITY FOR ACCOMMODATION

Applicants for admission and qualified future professionals with disabilities who wish to request reasonable accommodations (including campus tours, orientation, academic adjustments, auxiliary aids and services, or modifications) must contact the Coordinator and complete the Disability Verification Form. Future professionals must provide documentation of their disability from an appropriate professional, which depends on the nature of the disability. For example, a future professional with a psychological disability should provide documentation from a psychologist, psychiatrist, or social worker. The documentation submitted must reflect a date within the past twelve months; if the documentation is older than twelve months, the future professional must provide current documentation to continue their request for accommodations.

The Coordinator has the discretion to determine the type of documentation necessary to establish the present level of the future professional's disability and its impact on the future professional's needs in the education setting. Any costs related to the initial documentation will be the responsibility of the future professional.

All documentation related to an accommodation request, including medical documentation, is treated as confidential, and maintained by the Coordinator in accordance with the Records Retention Policy. Access to these files will be limited to those individuals who need to be informed regarding necessary accommodations or other services.

INTERACTIVE PROCESS TO REQUEST ACCOMMODATIONS

Future professionals who plan to request accommodations should contact the Coordinator promptly to ensure adequate time for the Coordinator to review the future professional's documentation before the future professional begins the class or program for which the accommodation is requested. The Coordinator will keep a record of the dates and contacts with the future professional, including a record of the accommodation(s) requested by the future professional. Future professionals who have questions about the type of documentation they need to provide should contact the Coordinator to discuss acceptable documentation.

The Coordinator will schedule a meeting with the future professional to discuss their request for accommodation(s). The future professional and the Coordinator will discuss how the future professional's disability impacts them, how the future professional expects the disability to impact them in The School's program, the type of accommodation(s) the future professional has previously received (if any), and the accommodation(s) being requested. The Coordinator and the future professional will discuss which accommodations are needed during all phases of their educational program (Core, Adaptive, and Creative), and for classroom instruction, skills-based instruction, and skills practice.

To qualify, the documentation must show the nature of the future professional's disability and how it limits a major life activity. The accommodation(s) requested by the future professional should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the future professional will discuss and determine what the future professional's limitations are, and how they can be accommodated.

EXAMPLES OF ACCOMMODATIONS

- A future professional with an orthopedic disability may need a cushioned floor mat, scheduled time to sit, or a particular type of chair.
- A future professional with a learning disability may need extended time to take tests in a location that has reduced distractions, like an office instead of a classroom.
- A future professional with a learning or psychological disability may need a note taker, a copy of the Learning Leader's notes or presentation, or use of a recording device during instruction.
- A future professional with a hearing impairment may need Learning Leaders to use voice amplification systems or may need The School to provide a sign language interpreter.

DETERMINATION AND NOTIFICATION REGARDING ELIGIBILITY

The Coordinator will determine the accommodation(s) to be provided to the future professional. The Coordinator will consider past accommodations that have been effective for the future professional and will give primary consideration to the type of accommodation requested by the future professional. Alternate accommodations may be provided if they are equally effective for the future professional.

The Coordinator will determine appropriate accommodations typically no later than ten (10) business days after the future professional submits their request for accommodations and relevant documentation. If the future professional does not submit appropriate documentation at the time the future professional requests an accommodation, the Coordinator will determine appropriate accommodations no later than ten (10) business days after the future professional provides appropriate documentation.

The Coordinator will provide the future professional with written notice regarding the determination and any approved accommodation(s) and/or auxiliary aids/services. The Coordinator will communicate the future professional's accommodation(s) to the appropriate Learning Leader(s) and staff. Notification to Learning Leaders and staff will specify which accommodation(s) they are responsible for providing, to whom they will be provided, how to provide the accommodation(s), and when to provide the accommodation(s).

The Coordinator will maintain written records of the interactive process and notifications of eligibility. The Coordinator will verify and ensure that all approved accommodation(s) are implemented. If the future professional informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene to ensure the accommodation is provided to the future professional.

Future professionals with approved accommodations will have a follow-up meeting with the Coordinator if the future professional's program is expected to change. The purpose of the meeting is to determine whether the future professional's accommodation(s) should be altered when the future professional's program phase changes, or the type of instruction changes.

LIMITATIONS

- The School is not required to make adjustments or provide aids or services that would result in an undue burden on The School. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional that would not unduly burden the program. The Coordinator will offer the alternate accommodation to the future professional.
- The School is not required to alter or modify a course or academic program to the extent that it changes the fundamental nature of the course or program. When the Coordinator determines that a requested accommodation might fundamentally alter or modify a course or academic program, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional and offer the alternate accommodation to the future professional.

- Decisions regarding accommodation or auxiliary aids and services may require consultation with The School's Learning Leaders and/or staff to consider the fundamental nature of a course or academic program or whether the accommodation would impose an undue burden on The School.
- Accommodations are not retroactive.

4. TRAINING AND POLICY DISSEMINATION

The Coordinator will deliver training sessions for all School staff members at least once each calendar year. In these training sessions, the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (as amended) as they apply to The School. The Coordinator will provide information regarding:

- The School's responsibility to provide accommodations to future professionals with disabilities and to not penalize future professionals for using approved accommodations.
- How to appropriately interact with future professionals with disabilities.
- How to implement approved accommodations.
- How to support qualified future professionals with disabilities in The School's programs.

The Coordinator will maintain record of each training session. The Coordinator may also provide training for future professionals who wish to learn about The School's process for requesting accommodations or The School's grievance procedures.

The Coordinator will publish this policy and procedures on its website and in each handbook or catalog provided to applicants for admission, future professionals, and employees.

5. GRIEVANCE PROCEDURE

The School is committed to working with future professionals with disabilities to resolve disagreements regarding the need for and/or implementation of accommodations. A future professional requesting an accommodation and/or use of auxiliary aids and/or services may file a complaint in accordance with the procedures detailed below.

1. Informal Resolution: The Coordinator will assist future professionals with disabilities who have concerns about implementation of their accommodations or their treatment by School staff members or other future professionals. At the request of a future professional, the Coordinator will informally mediate or attempt to resolve issues related to the future professional's disability. If this informal process does not resolve the future professional's concerns, the future professional may request a formal resolution or a file a formal complaint.
2. Formal Resolution: A future professional may request a formal resolution with the Director of The School.
 - To dispute the Coordinator's decision to deny a request for accommodation.
 - To dispute the Coordinator's decision to provide an alternate accommodation rather than the specific accommodation requested.
 - To dispute the Coordinator's determination that the future professional has not presented sufficient documentation to support the requested accommodation.
 - To resolve concerns that the Coordinator failed to effectively address concerns that a School staff member failed to provide an approved accommodation.

The Director will review all materials submitted by the Coordinator and will interview, as necessary under the circumstances, the future professional, the Coordinator, involved School staff, and other individuals who are relevant to the issue. The Director will render a decision in writing to the future professional.

3. **Formal Complaint:** If a future professional is not satisfied with the decision reached through formal or informal resolution, a formal complaint may be filed with the Title IX Coordinator. A future professional is not required to exhaust informal and formal resolution methods before filing a formal complaint. For more information see the Protected Class Non-Discrimination Policy and Procedures.

6. INELIGIBILITY

The ADA applies to qualified future professionals with a disability as defined in section 2. Future professionals who do not meet the qualification criteria are not entitled to reasonable accommodation(s). The Coordinator will not issue any communications or directives to Learning Leaders or School staff for future professionals who have not completed the interactive process and been approved for accommodations.

Future professionals who are not eligible for accommodations but still have an issue affecting their academic performance (including temporary illness) may seek assistance from the Future Professional Advisor who will respond to requests in accordance with established School policies.

Learning Leaders are not to provide accommodations to future professionals without the prior approval of the Coordinator.

This policy and procedures are effective August 2, 2022.

SERVICE ANIMAL POLICY

Paul Mitchell The School Denver does not allow animals in the school; however, an individual with a disability may request a reasonable accommodation under the Americans with Disabilities Act to bring a service animal to school when medically necessary. Procedures for requesting a reasonable accommodation are described in the ADA policy which can be found on the school's website: <https://paulmitchell.edu/denver>

SERVICE ANIMALS

A service animal (dog or miniature horse only) is an animal that is trained to provide a service to an individual with a disability, such as guiding individuals with impaired vision, alerting individuals to an impending seizure, or pulling a wheelchair and fetching dropped items.

Paul Mitchell The School Arlington will evaluate all requests to bring a service animal into the workplace to determine if the accommodation is reasonable and can be provided without undue hardship. Handlers may be asked to bring the service animal to demonstrate the animal's training and ability to be in the school without disruption.

If an accommodation is granted to allow a service animal in the school, the arrangement may be permitted on a temporary or trial basis. Reasonable behavior is expected from service animals while on school property. Disruptive and aggressive service animals must be removed from the premises immediately and permission to bring the animal to the school will be revoked. All animals need to be immunized against rabies and other diseases common to that type of animal. All vaccinations must be current, and animals must be in good health. For future professionals and/or staff members, current immunization records must be on file with the school. Service animals must wear an owner identification tag (which includes the name and phone number of the owner) at all times.

Animals must be on a leash, harness or other type of restraint at all times, unless the handler is unable to retain an animal on leash due to a disability.

The handler must be in full control of the animal at all times. The care and supervision of the animal is solely the responsibility of the handler. The handler is expected to clean and dispose of all animal waste appropriately.

Handler agrees to assume all liability for the service animal's behaviors. The handler agrees to comply with all laws, regulations, and ordinances regarding such service animals. The handler shall be personally liable for any damage or loss caused by the service animal's actions or reactions, including, but not limited to property damage.

SOCIAL NETWORKING POLICY

Paul Mitchell The School Denver respects the rights of students to use social media during their personal time. Social media includes all forms of publicly accessible communications which include, but are not limited to, written and verbal communications (including podcast and video uploads) and all forms of electronic communication including discussion groups, forums, newsgroups, e-mail distribution, blog postings, and or social networking sites (such as Facebook, Instagram, SnapChat, Twitter, You Tube, Friendster, Tik Tok, etc.). Students are personally responsible for the content they publish on social networking sites. Students are expected to treat each other with fairness and respect, consistent with the Paul Mitchell Schools culture.

Paul Mitchell Schools does not permit ethnic slurs, personal insults, obscenity, intimidation, cyber bullying, harassment or engaging in conduct that would be unbecoming of a Paul Mitchell Future Professional and misrepresent Paul Mitchell culture. Paul Mitchell The School reserves the right to request the removal of any posts at its discretion and take necessary disciplinary action as appropriate.

ALCOHOL AND DRUG-FREE EDUCATIONAL FACILITY POLICY

The School is concerned about the use of alcohol and drugs in the educational facility. This concern is based upon the effect that those substances have on a person's judgment, performance, safety, and health.

The School prohibits the possession, use, or being under the influence of alcohol or an illegal substance on School premises or at a School activity.

This prohibition includes drugs which (a) are not legally obtainable or (b) are legally obtainable but have not been legally obtained. The prohibition also includes prescribed drugs not legally obtained and prescribed drugs not being used for the prescribed purposes.

In order to enforce this policy, the School reserves the right to search all School premises, including classrooms, administrative offices, corridors, storage rooms, and parking lots. The School also reserves the right to search all employee and student property on School premises or at School activities, including but not limited to backpacks, purses, handbags, lockers, and vehicles parked on School property. The School also reserves the right to implement other measures necessary to deter abuse of this policy. Failure or refusal to cooperate may be grounds for disciplinary action, including expulsion from the School or termination for employees.

The School also will not object to law enforcement seeking to search School premises or employees and students, and employee and student property on School property or at School activities.

HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION POLICY

Paul Mitchell The School Denver is committed to maintaining a working and learning environment that provides for fair and equitable treatment, including freedom from bullying, harassment, intimidation, and discrimination of any kind. GRIEVANCE PROCEDURE

This Grievance Procedure will be used to process a written grievance or complaint concerning discrimination, bullying, harassment, or any other grievance that a complainant feels have been left unresolved against a student, employee, or third-party. The grievance or complaint will be referred to the School Director and/or School Owner. The following grievance procedures shall be used to address a grievance filed by students or employees, or for complaints filed on their behalf against employees, other students, or third parties. A copy of the Grievance form may be obtained from the school’s Director; however, you may also provide a written complaint by other means as long as it is signed and dated.

In order to facilitate the investigation, the complaint should include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A complaint should be filed within seven (7) days from the date of the alleged incident in order for the school to take timely and appropriate action. The complaint once received will be maintained in the Director’s office, which has limited staff access. The school Director has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose another employee.

The time necessary to conduct an investigation will vary based on complexity of the allegation(s) but will generally be completed within fourteen (14) days of receipt of the complaint. If a complainant requests confidentiality, the school will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the school will inform the complainant that its ability to respond may be limited.

All complaints involving a student, employee, contract worker, vendor, customer service guest, or other person who does business with the school will be referred to the school’s Director. The Director will begin the complaint process outlined in this policy.

INVESTIGATION OF ALLEGATIONS

The school will investigate all complaints received. The school’s grievance procedures are designed to ensure that the complaint process is free from conflicts of interest.

1. During the grievance process each individual is considered innocent of the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The school may remove an individual from the school on an emergency basis, provided that the school undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations justifies removal and provides the individual with notice and an opportunity to challenge the decision immediately following the removal. In the case of a school employee, the school may place the individual on mandatory administrative leave.
2. All provisions, rules, or practices that are a part of the school’s grievance process for handling formal complaints apply equally to both parties.

3. The school will make appropriate referrals to law enforcement, if necessary. The school will also notify complainants of the right to proceed with a criminal investigation, while the school conducts its own investigation simultaneously. The school will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation and acting on the evidence obtained.
4. The school will dismiss allegations of conduct that do not meet the school's written policies.
5. The school will provide equal opportunity for the parties involved to present facts, documentation, and witnesses. Any witnesses listed will be interviewed by the school Director.
6. The school may, in their discretion, dismiss a complaint or allegations therein if the complainant informs the Director in writing that the complainant desires to withdraw the formal complaint or allegations therein, if the individual is no longer enrolled or employed by the school, or if specific circumstances prevent the school from gathering sufficient evidence to reach a determination. If the complaint is dismissed, the school will give the parties written notice of a dismissal of the complaint and the reasons why.
7. The school may, in their discretion, consolidate complaints where the allegations arise out of the same facts or circumstances, whether it is complaints against multiple individuals.
8. Upon conclusion of the investigation into the allegations, the Director will provide a written determination to all parties, as to the final decision and any actions taken.

Students should follow the above process; however, the student may, at any time, file a complaint with the school's accrediting agency, or the U.S. Department of Education.

FILE A COMPLAINT AGAINST AN INSTITUTION

Please be advised that all of the private occupational schools we regulate are currently involved in implementing COVID-19 contingency plans. Now that all in-person contact with students is prohibited, it is likely that many of the physical campuses and offices have closed. There may be a delay in addressing and processing current and future complaints as communication with school administration and their ability to locate and provide documentation are an integral part of how DPOS handles those complaints. We encourage your patience and flexibility as your school, as well as DPOS, attempts to adjust and adapt to these unprecedented and rapidly changing times. Thank you. Training at <http://higher.ed.colorado.gov/dpos>, (303) 862-3001.

NACCAS shall not consider a student complaint until all procedures and remedies within the institution have been exhausted. A student complainant must show that the institution's complaint procedure has been followed and state why the matter is considered still unresolved when he/she submits a complaint to NACCAS."

"The NACCAS complaint process is intended as a tool for NACCAS to monitor whether accredited schools are complying with NACCAS' accreditation standards. It is not designed or intended as a means for providing individual relief to the person filing the complaint. As detailed in NACCAS' Handbook, NACCAS' Board of Commissioners will not intervene on behalf of individuals in cases of disciplinary action or dismissal, or act as a court of appeals in such matters as admission, graduation, fees, or similar points of issue. If you are seeking relief for personal grievances against the institution identified in your complaint, you are advised to exercise your rights under the institution's internal grievance policy. If you are not satisfied with the results of that process, you may wish to consult with the state regulatory board or agency that licenses the institution concerning your rights under state law and regulations."
4. Upon conclusion of the investigation into any allegations, NACCAS will send the individual a letter notifying them of their decision.

Students will not be subject to retribution upon filing a complaint.

COMPLAINT/GRIEVANCE PROCEDURE

The following grievance procedures shall be used to address sex discrimination complaints filed by students/ employees, the complainant is attempting to participate in the school's education program or activity at the time they file the formal complaint, or complaints filed on their behalf against employees, other students, or third parties.

A complainant "attempting to participate" in a school's education program, includes when a complainant: has withdrawn from the school due to alleged sexual harassment and expresses a desire to re-enroll if the school responds appropriately to the allegations; has graduated but intends to apply to a new program or intends to participate in alumni programs and activities; is on a leave of absence and is still enrolled as a student or intends to re-apply after the leave of absence; or has applied for admission.

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by e-mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time, including during non-business hours, by using the telephone number or e-mail address, or by mail to the office address, listed below for the Title IX Coordinator. Only a complainant may file a formal complaint that initiates a Title IX grievance procedure.

If you believe that you have experienced or witnessed harassment or sexual violence, you need to notify the Title IX coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employee, contract worker, student, vendor, customer or service guest, or other person who does business with the school is exempt from the prohibitions in this policy. The school Director or Education Leader, if they are informed of a Title IX complaint will refer all harassment complaints to the Title IX coordinator. In order to facilitate the investigation, your complaint should include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A sex discrimination complaint should be filed within seven (7) days from the date of the alleged discriminatory incident in order for the school to take timely and appropriate action. All documentation pertaining to the complaint/grievance process will be confidential. The complaint/grievance once received will be maintained in the Title IX Coordinator's office, which has limited staff access.

All complaints involving a student, employee, contract worker, vendor, customer or service guest, or other person who does business with the school will be referred to the campus's Title IX Coordinator to begin the complaint process outline in this policy. The Title IX Coordinator is listed below and has the responsibility of Intake reports and complaints, initiating the formal complaint process, and providing supportive measures to both the complainant and respondent.

If the school has actual knowledge of sexual harassment in an educational program or activity at the school, against a person in the United States, they will respond promptly in a manner that is not deliberately indifferent. A school is considered deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

The grievant/complainant may use the Title IX Grievance Form, but it is not required, to file a Title IX discrimination complaint.

Title IX Coordinator:

Cheryl Williams
303-233-1733
405 S. Teller St.
Lakewood, CO 80226
title9@pmtsdenver.com

The school ensures that its Title IX Coordinator(s), Investigator(s), Decision-Maker(s), and Informal Resolution Facilitator(s) have adequate training on what constitutes sexual harassment, including sexual violence, dating violence, domestic violence, sex discrimination, and stalking, and that they understand how the school's grievance procedures operate. Please refer to the end of this policy for a listing of the various roles of individuals involved in the Title IX process, their responsibilities, and training requirements.

REPORTERS

We encourage all individuals who have a Title IX complaint to meet with the Title IX Coordinator to begin the formal grievance process. If the school Director or Education Leader, who are not Title IX Coordinators, are informed of a Title IX complaint they must notify the Title IX Coordinator of the complaint immediately, as long as they have the Complainant's consent that they can report the incident to the Title IX Coordinator. These are the only school employees that a complainant may discuss Title IX allegations with that are required under the school's policy to be obligated to inform the Title IX Coordinator of information that they received, as long as the Complainant grants that authority. Once any of these reports are notified of complaint allegations the notice triggers the start of the complaint process by the Title IX Coordinator.

FORMAL COMPLAINT

A "formal complaint" is defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the school. A formal complaint could include actions that occurred during on-line training that includes computer and Internet networks, digital platforms, and computer hardware or software owned, operated by, or used by the school. In regard to on-line harassment, the school will review the factual circumstances to determine if it occurred in circumstances over which the school had substantial control over the respondent and the context in which the event occurred. A formal complaint may be filed with the school's Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information located in the school's policy. The phrase "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. A complainant does not need to have already suffered loss of education before being able to report sexual harassment.

The Title IX Coordinator will meet with the complainant to explain the process of filing a formal complaint. The complainant must be the alleged victim unless the parent or legal guardian has a legal right to act on their behalf.

Anyone may report a Title IX violation; however, only a complainant may file a formal complaint that initiates a Title IX grievance procedure. The Title IX Coordinator will defer to the complainant's wishes as to whether or not they want to file a formal complaint.

If the Title IX Coordinator is the one who signs and initiates a formal complaint, the Title IX Coordinator is not a complainant or a party during a grievance process and must comply with requirements for Title IX personnel to be free from conflicts of interest and bias.

The school's Title IX Policy provides for a consistent, transparent grievance process for resolving formal complaints of sexual harassment. The school's policy is required to treat complainants equitably by providing remedies any time a respondent is found responsible and treat respondents equitably by not imposing disciplinary sanctions without following the grievance process prescribed in the school's policy. Any remedies, which are required to be provided to a complainant when a respondent is found responsible, will be designed to maintain the complainant's equal access to education and may include the same individualized services described as supportive measures; however, any remedies imposed do not need to be non-disciplinary or non-punitive and need not avoid burdening the respondent.

Once a formal complaint has been filed, the school will provide a written notice to each of the parties involved, which will include a copy of the school's written Grievance Process, a list of the allegations, including specific information regarding the allegations, and a notice that the parties have a right to an advisor. The advisor should not be a lawyer. If during the investigation additional allegations are investigated, then a new notice must be provided to the parties, which identifies the new issues.

GRIEVANCE PROCEDURE

The school's grievance procedures are designed to ensure that the Title IX complaint process is free from conflicts of interest and to treat everyone equally during the process, which requires Title IX personnel (Title IX Coordinators, Investigators, Decision-Makers, and people who facilitate any informal resolution process) to be free from conflicts of interest or bias for or against complainants or respondents. In order to accomplish this, we have put into place the following requirements:

1. All Title IX personnel must include training on the definition of sexual harassment, the scope of the school's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
2. The school provides all decision-makers with training on any technology to be used at a live hearing. In addition, the school's decision-makers and investigators receive training on issues of relevance, including how to apply the rape shield protections provided (only for complainants), prior to participating in any Title IX investigation.
3. The federal regulations governing Title IX allegations requires that there is a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The school may remove a respondent from the recipient's educational program or activity on an emergency basis, provided that the school undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal. In the case of a school employee, the school may place the individual on mandatory administrative leave.
4. All of the materials the school uses to train Title IX personnel are located on the school's website under the Required Disclosures section on the home page.
5. Once the hearing takes place, the Decision-Maker may take the following actions against the respondent: dismiss the complaint; place the individual on probation; suspend the individual; terminate the individual; require the individual to go to counseling; change the respondent's schedule; or require the individual to retake the Title IX training.
6. The school may provide the following remedies to a complainant: an escort; removal from shared classes; academic support services, such as tutoring; and medical or counseling services.
7. The school has chosen to use the preponderance of the evidence standard, for all formal complaints of sexual harassment (including where employees and faculty are respondents).
8. Upon completion of the Title IX process, either party may file an appeal of the decision. The school's appeal process is outlined below.
9. Throughout the grievance process the school will not use, rely on, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.
10. All provisions, rules, or practices that are a part of the school's grievance process for handling formal complaints of sexual harassment apply equally to both parties.

To initiate a criminal investigation, reports of sexual violence should be made to “911” or local law enforcement. The criminal process is separate from the school’s disciplinary process. To the extent that an employee or contract worker is not satisfied with the school’s handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

The school will make appropriate referrals to law enforcement. The school will also notify complainants of the right to proceed with a criminal investigation and a Title IX complaint simultaneously. The school will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation.

INVESTIGATION OF ALLEGATIONS

In response to all complaints, the school will ensure prompt and equitable resolution through a reliable and impartial investigation of the allegations, including the opportunity for both parties to present witnesses or other evidence. The school will follow its written grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. During this process the school will not restrict an individual’s rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment, when complying with Title IX.

The federal regulations require a school to investigate sexual harassment allegations in any formal complaint, which can be filed by a complainant, or signed by a Title IX Coordinator. The regulations affirm that a complainant’s wishes with respect to whether the school investigates should be respected unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the complainant is not clearly unreasonable in light of the known circumstances.

If the allegations in a formal complaint do not meet the definition of sexual harassment, or did not occur in the school’s education program or activity against a person in the United States, the school must dismiss such allegations for purposes of Title IX but may still address the allegations in any manner the school deems appropriate under the school’s own code of conduct, which is published in the school’s catalog. The school may also dismiss a complaint if: the complainant withdraws the complaint; if the respondent is no longer enrolled or employed at the school; or if circumstances prevent institution from being able to investigate the complaint allegations. The school has the discretion to assess the facts and circumstances of a case before deciding whether to dismiss the complaint because the respondent has left the school. The school may consider, for example, whether a respondent poses an ongoing risk to the campus community, or whether a determination regarding responsibility provides a benefit to the complainant even though the school does not have control over the respondent. In these cases, each party needs to be notified that the complaint has been dismissed and the reasons why it has been dismissed.

The time necessary to conduct an investigation will vary based on complexity of the allegation but will generally be completed within sixty (60) days of receipt of the complaint, which includes appeals and informal resolutions, with an allowance for short-term and good cause delays or extensions of the time frame. Delays for good cause, may include, for example, a temporary postponement of a hearing to accommodate a person with a disability. However, when deciding whether to grant a delay or extension, the school will consider the interests of promptness, fairness to the parties, and accuracy of adjudications. In these cases, the school will promptly notify all parties of the reason for the delay and the estimated length of the delay, as well as important updates about the investigation. If a complainant requests confidentiality, the school will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the school will inform the complainant that its ability to respond may be limited.

The preponderance of the evidence standard will apply to investigations, meaning the school will evaluate whether it is more likely than not that the alleged conduct occurred.

During the investigation, the school will provide interim measures, as necessary, to protect the safety and well-being of students and/or employees involved and are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party and to protect the safety of all parties, the school's educational environment, or deter sexual harassment.

The Title IX Coordinator will promptly contact the complainant confidentially to discuss the availability of supportive measures; consider the complainant's wishes with respect to supportive measures; inform the complainant of the availability of supportive measures with or without the filing of a formal complaint; and explain to the complainant the process for filing a formal complaint. The school will offer supportive measures, at no cost, to the person alleged to be the victim (referred to as the "complainant"), which may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures to help protect the alleged victim and deter sexual harassment. The respondent is also eligible for the same supportive measures that the complainant has available. The school will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the school to provide the supportive measures. The school's Title IX Coordinator is responsible for coordinating the effective implementation of all supportive measures that will be provided before sanctions in any grievance procedure are imposed.

The school will investigate the allegations in any formal complaint and send written notice to both parties (complainants and respondents) of the allegations upon receipt of a formal complaint. The Title IX Coordinator has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose another employee or hire a third-party to conduct the investigation.

During the grievance process, and when investigating the complaint allegations, the school will abide by the following procedures:

1. The school will apply a presumption that the respondent is not responsible during the grievance process (presumption of innocence). The burden of gathering evidence and burden of proof is the responsibility of the school, not on the individual parties. The presumption does not imply that the alleged harassment did not occur, or that the respondent is truthful or a complainant is untruthful. Instead, the presumption is designed to ensure that investigators and decision-makers serve impartially and do not prejudge that the respondent is responsible for the alleged harassment.
2. The school will provide equal opportunity for the parties involved to present fact and expert witnesses and other inculpatory and exculpatory evidence. Witnesses cannot be anonymous.
3. The school will not restrict the ability of the parties to discuss the allegations or gather evidence (e.g., no "gag orders") to support their case.
4. Both parties to the complaint will have the same opportunity to select an advisor of the party's choice who may be, but need not be, an attorney.
5. The school as a part of the investigative process will send written notice of any investigative interviews, meetings, or hearings to both parties. Any interviews that occur can have both parties' advisors present.
6. The school will send the parties, and their advisors, evidence directly related to the allegations, in electronic format or hard copy, with at least 10 days for the parties to inspect, review, and respond to the evidence provided.
7. The school will send the parties, and their advisors, an investigative report that fairly summarizes relevant evidence, in electronic format or hard copy, with at least 10 days for the parties to respond to the report.
8. The school will dismiss allegations of conduct that do not meet the definition of sexual harassment or did not occur in a school's educational program or activity against a person in the U.S. Such dismissal is only for Title IX purposes and does not preclude the school from addressing the conduct in any manner the school deems appropriate.

9. The school may, in their discretion, dismiss a formal complaint or allegations therein if the complainant informs the Title IX Coordinator in writing that the complainant desires to withdraw the formal complaint or allegations therein, if the respondent is no longer enrolled or employed by the school, or if specific circumstances prevent the school from gathering sufficient evidence to reach a determination.
10. The school will give the parties written notice of a dismissal (mandatory or discretionary) and the reasons for the dismissal.
11. The school may, in their discretion, consolidate formal complaints where the allegations arise out of the same facts or circumstances, whether it is complaints against multiple respondents or by multiple complainants.
12. The school will protect the privacy of a party's medical, psychological, and similar treatment records by stating that the school cannot access or use such records unless the school obtains the party's voluntary, written consent to do so.

LIVE HEARINGS

The school's Title IX grievance process provides for a live hearing. If the complaint goes to a live hearing, then each party must have an advisor. The appointed Decision-Maker is the individual who will be conducting the hearing. The following conditions will apply for a live hearing:

1. The Decision-Maker(s) must permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those that challenge credibility. Parties and witnesses are not required to submit to cross-examination or otherwise participate in the Title IX grievance process.
2. Cross-examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by either the complainant or respondent personally. Questions must be asked in a respectfully and non-abusive manner. If a party's advisor of choice yells at others or is unprofessional or abusive the school may remove the advisor and require a replacement. The school may exclude as not relevant questions that are duplicative or repetitive.
3. At the request of either party, the school will provide for the entire live hearing (including cross-examination) to occur with the parties located in separate rooms with technology enabling the parties to see and hear each other.
4. Only relevant cross-examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the Decision-Maker must first determine whether the question is relevant and explain to the party's advisor asking cross-examination questions any decision to exclude a question as not relevant.
5. The live hearing provides for the opportunity for all parties' advisors to examine and cross-examine witnesses, including challenging the credibility of witnesses. Hearsay statements and irrelevant information is not permitted.
6. The school's process provides for rape shield protections for complainants deeming irrelevant questions and evidence about a complainant's prior sexual behavior unless offered to prove that someone other than the respondent committed the alleged misconduct or offered to prove consent.
7. If either party does not have an advisor present at the live hearing, the school will provide, at no cost to that party, an advisor of the school's choice who may be, but is not required to be, an attorney to conduct cross-examination on behalf of that party. Only the advisor may cross-examine the witnesses.
8. If a party or witness does not submit to cross-examination at the live hearing, the Decision-Maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions.

9. Relevant evidence can be considered to determine whether the respondent is responsible for the alleged sexual harassment. The decision-maker may rely on non-statement evidence related to the alleged prohibited conduct that is in the record, such as photographs or video images showing the underlying incident.

The decision-maker may consider a text message, email, or audio or video recording created and sent by a respondent as a form of alleged sexual harassment even if the respondent does not submit to cross-examination. Similarly, if a complainant alleges that the respondent said, "I'll give you a higher grade in my class if you go on a date with me," the decision-maker may rely on the complainant's testimony that the respondent said those words even if the respondent does not submit to cross-examination.

10. Live hearings may be conducted with all parties physically present in the same geographic location or, at the school's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually. Police reports, medical reports and other documents and records may not be relied on to the extent they contain the statements of a party or witness who has not submitted to cross-examination.
11. As a part of the process, the school will create an audio or audiovisual recording, or transcript, of any live hearing, as a part of the record.

FINAL DETERMINATION OF THE INVESTIGATION

The school's grievance process uses the preponderance of the evidence standard to determine responsibility. The school's grievance process uses the same standard of evidence for all formal complaints of sexual harassment whether the respondent is a student or an employee (including faculty member). The Decision-Maker(s) in the process are required to objectively evaluate all relevant evidence, inculpatory and exculpatory, and avoid credibility determinations based on a person's status as a complainant, respondent, or witness.

The Decision-Maker in all instances cannot be the Title IX Coordinator or the investigator in order to ensure that the investigative process is fair and free of bias. The Decision-Maker will issue a written determination regarding responsibility with findings of fact to include the following:

1. Must identify the standard of evidence used based on the school's written policy.
2. Identify the allegations that constitute sexual harassment.
3. Describe the procedures the school used from the filing of the formal complaint through the hearing process.
4. Make findings of fact and conclusions about whether the alleged conduct occurred, rationale for the result as to each allegation.
5. Include the imposition of any sanctions or disciplinary actions imposed on the respondent, and whether any remedies will be provided to the complainant.
6. State the procedures to file an appeal and the allowable bases for an individual to appeal the decision.
7. Upon conclusion the written determination will be sent simultaneously to the parties.
8. The Title IX Coordinator is responsible for implementation of any remedies imposed by the Decision-Maker.

APPEAL PROCESS

The school will allow either or both parties the opportunity to appeal the Decision-Maker's determination regarding responsibility from a school's dismissal of a formal complaint or any allegations therein. Either party can appeal based on the following:

1. Procedural irregularity that affected the outcome of the matter;
2. Newly discovered evidence that could affect the outcome of the matter; and/or
3. The Title IX personnel had a conflict of interest or bias, that affected the outcome of the decision.

INFORMAL RESOLUTION

The school provides the opportunity for the parties involved in the formal complaint allegations to facilitate an informal resolution, such as mediation, so long as both parties give voluntary, informed, written consent to attempt an informal resolution. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. The school will provide written notice to the parties of the allegations, requirements of the resolution process, and any limitations.

If the complaint allegations are in regard to an employee of the school sexually harassing a student, the opportunity for an informal resolution is not available.

A school may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to a formal investigation and adjudication of formal complaints of sexual harassment. Similarly, a school may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed.

RETALIATION PROHIBITED

The school prohibits any form of retaliation, intimidation, threats, coercion, discrimination, or harassment against any individual who filed or otherwise participated in the filing or investigation of a complaint of discrimination. Actions do not have to be on the basis of sex or involve sexual harassment to constitute retaliation. Retaliation complaints may use the same grievance process as sexual harassment complaints. Any individual who believes he or she has been subjected to retaliation may file a separate complaint under this procedure. The school will keep confidential the identity of complainants, respondents, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out a Title IX proceeding, which does not constitute retaliation.

The following circumstances do not constitute retaliation, including:

1. Exercising one's rights protected under the First Amendment.
2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX grievance proceeding does not constitute retaliation; however, a determination regarding responsibility, alone, is not sufficient to conclude that any party made a bad faith materially false statement.
3. Charging an individual with code of conduct violations that do not involve sexual harassment but arise out of the same facts or circumstances as a report or formal complaint of sexual harassment; however, for the purpose of interfering with any right or privilege secured by Title IX does constitute retaliation.

REPORTING REQUIREMENTS

Victims of sexual misconduct should be aware that school administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. The school will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. The school reserves the right to notify parents/guardians of dependent students regarding any health or safety risk or a change in student status. The school will also notify the local police department of any crimes that have been brought to their attention.

Any allegations or violations of Title IX will be reported to the school's Clery Act coordinator to be included in the school's annual reporting requirements.

RECORD KEEPING

All records of the Title IX formal complaint including, the investigation, evidence, decision making process, hearings, and decision letters will be maintained by the school for at least 7 years.

REQUIRED TRAINING

The school's Title IX Coordinator, Investigator, Decision-Maker, or any person designated by the school to facilitate an informal resolution process, must not have a conflict of interest or bias for or against complainants or respondents generally, or an individual complainant or respondent. Each individual that is part of the Title IX process is required to take training that includes how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Part of the required training is to ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the school's education program or activity, how to serve impartially, how to make relevancy determinations, how to conduct an investigation and grievance process including hearings, appeals and informal resolution.

The school will provide the Decision-Maker(s) with training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. The school will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. Any materials used to train Title IX Coordinators, Investigators, Decision-Makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

ADDITIONAL INFORMATION

Employees and students may contact the Title IX coordinator with any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights ("OCR") investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. For more information, visit the OCR website at: <http://www2.ed.gov/about/offices/list/ocr/index.html>

STUDENT BIOMETRIC INFORMATION PRIVACY POLICY

Paul Mitchell The School Denver records attendance in clock hours. To ensure proper clock hours are credited, students are required to clock in and out utilizing a biometric scanner. Biometric scanners are computer-based systems that scan a student's finger or facial identifier for purposes of identification. The computer system extracts unique data points and creates a unique mathematical representation used to verify a person's identity. Paul Mitchell The School Denver or its vendors may collect, retain, and use biometric data for the purpose of identifying students when recording clock hours.

BIOMETRIC DATA DEFINED

In general, biometric data is "biometric identifiers" and "biometric information" as defined below.

"Biometric identifier" means a retina or iris scan, fingerprint, voiceprint, or scan of hand or face geometry. Biometric identifiers do not include writing samples, written signatures, photographs, human biological samples used for valid scientific testing or screening, demographic data, tattoo descriptions, or physical descriptions such as height, weight, hair color, or eye color.

"Biometric information" means any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual. Biometric information does not include information derived from items or procedures excluded under the definition of biometric identifiers.

PURPOSE FOR COLLECTION OF BIOMETRIC DATA

The School does not collect or store biometric data. At this time, the School's third-party time clock vendor may collect and store an individual's biometric identifier (for example, fingerprint or facial identifiers), solely for identification in connection with the use of the biometric time clock. The School's third-party time clock vendor will retain biometric data of an only for so long as the person is an enrolled student. The biometric data shall be permanently removed from the records of the School's vendors and licensors in accordance with the retention schedule set forth herein.

DISCLOSURE AND AUTHORIZATION

Each student will be required to sign the Release and Consent to Use of Biometric Data as a condition of his/her enrollment with the School.

The School and its time clock vendors will not sell, lease, trade, or otherwise profit from students' biometric data; provided, however, that the School's time clock vendor will be paid for products or services used by the School that utilize such biometric data.

The School will not disclose or disseminate any biometric data to anyone other than its time clock vendors without first obtaining student's written consent to such disclosure or dissemination unless disclosure or redisclosure is required by state or federal law or municipal ordinance or required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

RETENTION SCHEDULE

The School shall retain a student's biometric data only until, and shall require that its time clock vendors permanently destroy such data when, the first of the following occurs:

1. Within thirty (30) days after the initial purpose for collecting or obtaining such biometric data has been satisfied, such as the withdrawal or graduation of a student; or
2. Within 3 years of the student's last interaction with the School.

DATA STORAGE

The School and its time clock vendors shall use a reasonable standard of care to store, transmit and protect from disclosure any paper or electronic biometric data collected. Such storage, transmission, and protection from disclosure shall be performed in a manner that is the same as or more protective than the way the School or its time clock vendors transmit and protect from disclosure other confidential and sensitive information, including personal information that can be used to uniquely identify an individual or an individual's account or property, such as driver's license numbers and social security numbers.

STUDENT COMPLAINTS

Attempting to resolve any issue with the school first is strongly encouraged. Complaints may be filed by a student or guardian at any time online with the Division of Private Occupational Schools (DPOS) within two (2) years from the student's last date of attendance or at any time prior to the commencement of training at <http://highered.colorado.gov/dpos>, (303) 862-3001.
